# OUR STORY

The emergence of new infectious diseases, the re-emergence of “old” infectious diseases, the rise of antibacterial resistance and the difficulty to come out with a new pipeline of new antimicrobial compounds leads to consider the potential of non-conventional approaches, such as immunotherapies as new therapies.

The **I4ID congress** started on 2017 and the aim was to develop a conference exclusive dedicated to immunotherapies and infectious diseases, something that never existed before. In 2019, The thematic was enlarged to include, with the immunotherapies, all the innovations being developed to fight infectious diseases. In 2020, regarding the unique sanitary situation we were going through, we had decided it was imperative to address on this edition program the COVID-19 thematic. The 2021 edition treated the news trends following the outbreak. The last editions was more focused on the innovation in vaccines and alternatives to antibiotics.

**I4ID** is co-organized by **MabDesign**, the association that federates and supports the French industrial sector of biotherapy ([www.mabdesign.fr](http://www.mabdesign.fr)) and **Lyonbiopole Auvergne-Rhône-Alpes**, the healthcare cluster of the Auvergne-Rhône-Alpes region (<https://lyonbiopole.com>). These two emblematic health stakeholders bring together, for two days conference, experts from around the world to combine approaches and strengths to innovate in the fields of infectious diseases and immunotherapy.

## APPLICATION & PAYMENT

To confirm your acceptance, please complete the “Conference Sponsorship & Exhibition Agreement” form attached to this document and return to the contact details on the form.

On receipt, an invoice for payment will be forwarded to you. As spaces are strictly limited, returning an acceptance form does not guarantee a place as a Sponsor/Exhibitor.

Sponsorship and exhibition packages are not considered confirmed until the payment of total costs is received. Should the payment not be received within 45 days of invoice, the package will be released for re-sale. Unless otherwise explicitly stated herein, all Sponsorship fees paid are non-refundable. If Sponsor/Exhibitor fails to make any payment described in this Agreement, the Sponsor/Exhibitor’s right to sponsorship of the Event may be cancelled without further notice and without refund of monies paid.

## ACCEPTANCE & ALLOCATION

Sponsorship and exhibition packages, which may be limited in number, will be generally allocated to those organizations who apply the earliest. All sponsorship and booth selection are on a first come, first served basis. The Sponsor/Exhibitor has 48 hours upon reception of the Agreement form to reserve the preferred space by email, after which the preference can be given to another Sponsor/Exhibitor.

Allocation of sponsorship packages and booths regardless of the preference indicated, and alteration of the floor plan is at the discretion of the Organizer, whose decision will be final.

The Organizer reserve the right to accept or reject any application for sponsorship at its absolute and unfettered discretion with the return of any deposit paid.

In the event the Sponsor/Exhibitor gives written notice at any time prior to the Event of his intention not to take possession of the space allocated to him, or in the event of failure by the Sponsor/Exhibitor to take possession of the space prior to the opening of the Event, the Organizer will have absolute discretion to use the display space as it sees fit, with no liability to refund any charges paid or due.

The Organizer reserves the right to make any changes as it may deem appropriate to the Event dates and times. The Organizer shall communicate any changes to the Event dates and times to Sponsor/Exhibitor as soon as possible.

## CANCELLATION POLICY & UNAVOIDABLE OCCURRENCES

If the Event is rescheduled by the Organizer, and the Sponsor/Exhibitor can reasonably demonstrate their inability to participate it will be entitled to a full refund (this does not apply if the event is virtualized).

In the case the Sponsor/Exhibitor cancels its sponsorship or exhibition booth or space, notification in writing must be sent to the Organizer that reserves the right to retain monies paid in full unless resold.

If in order to collect unpaid fees the Organizer pursues legal remedies, Sponsor/Exhibitor will pay the Organizer for all legal and related expenses, court fees, staff times, etc., so incurred.

In the case the Event is virtualized due to any circumstance that is clearly outside the control of the Organizer (such as lack of public health conditions, pandemic) the Sponsor/Exhibitor accepts the new format (including modification of the duration of the event and the equivalent Sponsor/Exhibitor package in digital format).

Should the holding of the congress be hindered, prevented or cancelled by unexpected political or economic events or generally by force majeure (any event or circumstance that is clearly outside the control of the Organizer), or any part thereof is prevented from being held, the Organizer in its sole discretion, shall determine and refund to the Sponsor/Exhibitor its proportionate share of the balance of the aggregate sponsor fees received which remains after deducting expenses incurred by and reasonable compensation to the Organizer. In no case shall the amount of the refund to the Sponsor/

Exhibitor exceed the amount of the fee paid. The Organizer reserves the right to cancel any portion of the event as it deems necessary and appropriate. All changes and/or cancellations will be communicated to Sponsor/Exhibitor by email.
